

OPTIMA LED

A long, slim, white LED light fixture is shown at an angle. The fixture has a series of yellow LED chips visible along its length. The background is white with a green geometric shape in the top right corner.

OSVĚTLENÍ SKLADOVACÍCH PROSTOR, SPORTOVNÍCH HAL, DÍLEN, GARÁŽÍ,

OptimaLED industrial LED luminaire ensures optimal lighting conditions for operation in your production, operational, or storage areas. It is suitable for indoor and outdoor covered spaces. The robust aluminum body guarantees efficient heat dissipation, contributing to long life and high resistance to dust, water, and physical damage. The optical elements used are made of PC, PMMA, or tempered glass, depending on the specific space requirements. For sports halls and gyms, the luminaire can be equipped with a ball protection cover. The OptimaLED luminaire has an ENEC certificate.
